# The World Of Eric Carle

Eric Carle is one of the foremost creators of children's books with total worldwide sales of over 145 million copies. His much-loved classic *The Very Hungry Caterpillar* has sold over 50 million copies and has been translated into over 60 languages. Eric's philosophy is "books to play with, toys to read," and all of his titles make learning fun with their bold colours, vivid characters, and celebration of the natural world.

# Roald Dahl

Roald Dahl books need no introduction. All-time favourite titles of children (and adults) around the world, global sales have now exceeded 100 million. Among the perennial favourites, including Matilda and The BFG, the Roald Dahl list includes activity books, picture books and more, and the catalogue continues to grow.

# Doctor Who

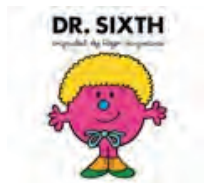

The iconic, beloved and unique science-fiction series *Doctor Who* has been thrilling audiences all around the world for more than 50 years, and continues to go from strength to strength on both the screen and the page. Out-of-this-world original fiction, amazing activity titles and fascinating reference books add whole new dimensions of adventure in time and space – and now feature the Thirteenth Doctor, as portrayed by Jodie Whittaker.
